

## Conclusions

The 7 days of REMUS operations produced the survey results shown in Table C1.

Total 7 Mission Duration:	37:18:03
Total Distance Traveled:	156.63 nautical miles
Total # of Sidescan Files	3835
Total # of Map Locations	223 (filtered)

Table B1, Survey Operational Results

The overall survey area covered during the 7 REMUS missions conducted can be seen in Figure B1. The small area seen in the upper left-hand corner of box 1 (Day 1's mission) was also surveyed in a higher resolution mission layout at the beginning of mission 6.
