

RECORDED PHONE CONVERSATION BETWEEN AMBER FREY AND SCOTT PETERSON:
(February 10, 2003 at 1201 hours)

FREY: 12:01. I'm calling Scott. (phone dialing, phone ringing)

PETERSON: Hey.

FREY: Hello.

PETERSON: How are you?

FREY: I'm okay.

PETERSON: Good. Have you been stalked?

FREY: No.

PETERSON: Wow!

FREY: I know. No, I haven't. So that's good.

PETERSON: Excellent. That's good.

FREY: And you?

PETERSON: Oh, I...little bit, but not bad. Are you there?

FREY: Yeah. So what are you doing?

PETERSON: I'm at the bank. Gonna finish up this financial crap and be done with it.

FREY: Yeah.

PETERSON: Trying to get the payroll done. What's that?

FREY: That reminds me, I have to go to the bank today.

PETERSON: Yeah. Yep.

FREY: Yes. Uh...I don't...I'm trying to think, I'm supposed to um...I decided I'm not gonna go meet with the lawyers today.

PETERSON: No.

FREY: I'll meet with 'em tomorrow.

PETERSON: Yeah.

FREY: You know, it's not gonna do, you know, anything any sooner so um...

PETERSON: Yeah.

FREY: So I have advice to not and just enjoy my day and tomorrow um...make those appointments or make the appointments for tomorrow, so I'm gonna do that. I'm supposed to get my hair done sometime today. I haven't been able to get a hold of 'em yet to confirm a time so I'm gonna go to lunch right now.

PETERSON: Good. You need to treat yourself on your birthday.

FREY: So that's my plan. Um...I'm not sure, it depends on when I get my hair done when I'm gonna head towards back to my house.

PETERSON: Yeah.

FREY: So what's...what's uh...at Valley Children's?

PETERSON: Just if you're headed that way.

FREY: What was that?

PETERSON: Just let me know when you're headed that way and I'll grab a phone.

FREY: Okay.

PETERSON: Okay?

FREY: All right.

PETERSON: I know that sounds entirely too clandestine but...

FREY: Too what?

PETERSON: Sounds entirely too clandestine but...

FREY: Well I'll...I'm thinking...I don't even know. I'm...I'm...I don't know why Wade's not calling me back because we said this afternoon. So he's not answering his phone, he's probably golfing or something.

FREY: Um...it's his day off, but he said he'd do it anyway. But uh...so that'll take an hour or so lunch. So I'm thinking probably a few hours from now the way this day is going.

PETERSON: Okay, whenever.

FREY: So, okay.

PETERSON: I'll have my phone on.

FREY: All right.

PETERSON: Okay, Amber.

FREY: Bye.

PETERSON: Bye.
