(phone ringing)

Guy MILIGI: Hello

Scott PETERSON: Hey, Guy, it's Scott.

Guy MILIGI: Hey, what's up?

Scott PETERSON: Uh...just uh...missed a couple calls from you guys last night so I wanted to thank you.

Guy MILIGI: Oh, yeah were just...

Scott PETERSON: ...saw you called uh...two times.

Guy MILIGI: seeing how things are going.

Scott PETERSON: Oh, thanks, thanks.

Guy MILIGI: So what are you doing?

Scott PETERSON: Uh...just driving back cause I was down in Bakersfield yesterday working and I had to go back down there this morning to finish it up.

Guy MILIGI: Yeah.

Scott PETERSON: It's weird, I thought going and doing something would make it easier or something but it's the hardest day yet, it's unreal. (beep)

Guy MILIGI: God. Yeah, I can't imagine.

Scott PETERSON: Yeah. And then all the suspicion now man God. Saw what they got at the marina?

Guy MILIGI: Yeah, yeah. What uh...no news today or what?

Scott PETERSON: Oh, no, I just got a call from the Chief of Police actually, they pulled up an anchor.

Guy MILIGI: Oh

Scott PETERSON: Yeah.

Guy MILIGI: Is that what it was? Is that what all that talk was?

Scott PETERSON: Yeah, they pulled up a big ol' boat anchor.

Guy MILIGI: Yeah, well.

Scott PETERSON: God, they got 88 people out there, you know.

Guy MILIGI: Jesus

Scott PETERSON: And pulled up an anchor. So maybe they'll send 88 people somewhere else and start working, I don't know.

Guy MILIGI: Yeah, that would be nice because I mean...that...that whole thing was so dumb. I mean, Jesus

Scott PETERSON: Yeah. The phone was ringing off the hook Thursday night, unreal all the people calling me.

Guy MILIGI: Oh, yeah, I'm sure.

Scott PETERSON: You want to comment on, you know, the body they found? I'm what, where, you know, it's just incredible but....

Guy MILIGI: Yeah. Well, they...they...they said they had found another body there or something and that wasn't even true either come to find out.

Scott PETERSON: Yeah.

Guy MILIGI: So it's like the media is just out of control. I mean they're just...

Scott PETERSON: Yeah.

Guy MILIGI: ...they are out of line at this point.

Scott PETERSON: True.

Guy MILIGI: So...okay, well, we're just checking in to see how you were doing.

Scott PETERSON: I'm okay, thanks.

Guy MILIGI: All right. Well, if anything changes give me a call.

Scott PETERSON: All right. What are you doing today?

Guy MILIGI: Uh...I...you're cutting out. Are you there?

Scott PETERSON: Yeah.

Guy MILIGI: Oh, okay, now it gets better.

Scott PETERSON: What are you up to today?

Guy MILIGI: Oh, just cruising around.

Scott PETERSON: Yeah.

Guy MILIGI: Was, I finally took...I was just, took down my Christmas lights and all the decorations and stuff this morning.

Scott PETERSON: All right.

Guy MILIGI: Yeah.

Scott PETERSON: Have you got a rental pad all set? You all done there or did you turn into wood working palace?

Guy MILIGI: Well, I still have about a couple days of work left.

Scott PETERSON: Yeah. You need any help with anything or...?

Guy MILIGI: No, you know, I've pretty much got it licked. I got like two walls of baseboards and then cleanup. I just gotta clean everything up and clean out the garage and stuff like that...and that's about it.

Scott PETERSON: Okay.

Guy MILIGI: But thanks.

Scott PETERSON: Do you need a shop vac or anything?

Guy MILIGI: Say that again?

Scott PETERSON: Do you need a shop vac or you probably got one of those?

Guy MILIGI: Yeah, I got one sitting over there. Actually it's been there since day one.

Scott PETERSON: Yeah. Well, I had the guts to open up Christmas presents last night.

Guy MILIGI: Yeah, boy.

Scott PETERSON: Laci got me a big ol' table saw.

Guy MILIGI: Oh, really.

Scott PETERSON: Yeah.

Guy MILIGI: Well, that's cool. I need one of those.

Scott PETERSON: I lost it for like a couple hours. It's the weirdest thing. Well, all right, man, well I gotta go, otherwise I'm about to pull over just talking to you.

Guy MILIGI: Okay. Well, I'll talk to you soon.

Scott PETERSON: Thanks, Guy.

Guy MILIGI: All right, bye.
