

RECORDED PHONE CONVERSATION BETWEEN SCOTT PETERSON AND
ROBERT WEAVER: JANUARY 11, 2003 AT 1402 HOURS

(phone ringing)

Scott PETERSON: Rob?

Robert WEAVER: Hey, Scott, how're you doing?

Scott PETERSON: All right, man. What's going on?

Rob WEAVER: Um...I uh...took care of that bladder.

Scott PETERSON: Oh, cool, thank you.

Rob WEAVER: We uh...I gave my buddy a call, the one that has the olives.

Scott PETERSON: Yeah.

Rob WEAVER: And uh...we took it down to his ranch and tried to flush out what we could. And what we did was...we did is we had to seal the fucking bladder up and then pumped it back out. We did that twice. And then we just sliced it open and took all the goop out that we could and put it in 5-gallon buckets and then like we took the bladder to the burn pile and we're just gonna try to burn it out there.

Scott PETERSON: We owe you guy's dinner.

Rob WEAVER: Huh?

Scott PETERSON: You...you're...you're owed...we owe or I don't know. Tradecorp owes you something and your buddy, that's awesome.

Rob WEAVER: Ha..Ha.. I hope...hopefully it burns up. We didn't have any matches so we weren't that prepared.

Scott PETERSON: Ha.. Ha.. sicko's...

Rob WEAVER: Ha... Ha.. hey, we put enough gas on it it'll burn.

Scott PETERSON: Man, don't stand down wind of that thing.

Rob WEAVER: Ha.. Ha.. no, we'll throw the match and haul ass.

Scott PETERSON: Yeah, definitely.

Rob WEAVER: All right, well, I just wanted to let you know that it's taken care of so...

Scott PETERSON: Appreciate that. Cool!

Rob WEAVER: It's not a big deal.

Scott PETERSON: Did you see the sweet news report on ah, that they're searching the bay for Laci?

Rob WEAVER: Um...I saw it yesterday.

Scott PETERSON: Yeah, did you hear the latest now?

Rob WEAVER: No, I did not.

Scott PETERSON: The uh...they just called me up, the Police Chief did, and said, "Hey, you know we've, we've found an anchor."

Rob WEAVER: An anchor?

Scott PETERSON: Yeah, they had all this sophisticated sonar stuff out there and...

Rob WEAVER: Oh, fuck!

Scott PETERSON: ...and they found an object that they thought was a body.

Rob WEAVER: Yes.

Scott PETERSON: And they had 60 divers out there today.

Rob WEAVER: Oh, my God!

Scott PETERSON: And they found an anchor.

Rob WEAVER: Sweet, that's nice.

Scott PETERSON: Yeah, nice huh?

Rob WEAVER: Good job. Maybe they can sell it and make some money.

Scott PETERSON: Yeah Ha..., excellent.

Rob WEAVER: Jesus, that's horrible. Yeah, they made a big deal about it and they said they...that they pulled one body out. Oh, but yeah, it was somebody else.

Scott PETERSON: Yeah, and I heard that was bullshit too.

Rob WEAVER: Yeah.

Scott PETERSON: I don't know.

Rob WEAVER: So, it's pretty lame.

Scott PETERSON: Yeah. But it's a little source of humor at least.

Rob WEAVER: Yeah. Ha.. Ha.. that's pretty funny though. They found an anchor, that's nice.

Scott PETERSON: So...all right, man. Hey, what's uh...well, I'll talk to you tomorrow.

Rob WEAVER: Okay.

Scott PETERSON: Thanks, Rob.

Rob WEAVER: Nah, no, problem.

Scott PETERSON: Talk to you later

Rob WEAVER: Bye.
