

D-12

RECORDED PHONE CONVERSATION BETWEEN AMBER FREY AND SCOTT PETERSON:
(January 31, 2003 at 1938 hours)

FREY: I said what else is going on?

PETERSON: Nothing really. I mean that sighting in Washington didn't sound like it panned out.

FREY: Yeah, I saw that last night and I thought what, that does not make any sense.

PETERSON: But I'm still calling the detectives up there again to make sure cause I want to know the real story.

FREY: Yeah, um...

PETERSON: I was in touch with them quite a bit today but...

FREY: What was that?

PETERSON: I was in touch with them quite a bit today but uh...you know, I can't trust the media so I need to call them.

FREY: So where are you staying tonight?

PETERSON: I don't know. I'll get in and get a hotel. Um...

FREY: You haven't decided what hotel yet?

PETERSON: No.

FREY: Well, there's lots of 'em.

PETERSON: Yeah. True.

FREY: You got Clovis, Fresno.

PETERSON: Yeah.
