(February 1, 2003 at 1008 hours)**

FREY: Do you have a full schedule?

PETERSON: Yeah.

FREY: Doing what?

PETERSON: Well, I want to go to Washington to get those tapes because they said that it wasn't her, but I need to know.

FREY: Okay. When are you going to go to Washington?

PETERSON: What's that?

FREY: When are you going to go to Washington?

PETERSON: I don't know, I'd have to get in contact with the police there and see if they would let me look at 'em.

FREY: It's just the story doesn't sound right, but...

PETERSON: I know, but I need to know. And I'll look at 'em and I need to find out if it is her.

FREY: Hum. Okay.
