RECORDING OF SCOTT PETERSON CHECKING VOICEMAIL
MESSAGES: JANUARY 31, 2003 AT 1123 HOURS

RECORDER: Your call has been forwarded....Please... (Tones) You have two unheard messages. 1st message, message marked urgent.

Rita Cosby: Hey Scott, it's Rita Cosby calling...

Scott PETERSON: Fuck you Rita

Rita Cosby: as you suggested, I wanted to touch base with you and um, talk with you further. I'm going to be coming out to California this evening and would love to talk with you. I think, God, the time is terrific with all of this stuff, with the sighting in Washington and maybe it can incite some other people and jog their memories too. And talk about the search efforts and I really think that's important for people to get that message out and hear it from you um, and again what I would do, if you, if you would feel more comfortable, we can do an interview...

RECORDER: Message erased, next Message

Eric Olson: Scott this is Eric. Hey, uh, I've lost my notebook and Rob's phone number was in there but, are you going to have um, Zinc, um, ___ Zinc um, do you have 750 gallons of it in California in the next month or something. If you do, let me know, I think I might, I think I might...
