

RECORDED PHONE CONVERSATION BETWEEN AMBER FREY AND SCOTT PETERSON
(February 16, 2003 at 1903 hours)

FREY: I just...

PETERSON: Now?

FREY: Yeah, I just was talking to my dad. He came over and Ayianna was so fussy I was...she was just about ready to go to sleep when he called and...

PETERSON: Oh, yeah?

FREY: Or no when he came over. And so I said dad I...I...I was just frazzled with her screaming and fussing. And so he left and then she went to sleep right away.

PETERSON: Good. Early?

FREY: I know, she didn't take a nap.

PETERSON: Oh!

FREY: Yeah, so we...

PETERSON: So you went to church?

FREY: Went to church.

PETERSON: Good.

FREY: Yeah. I had a few ladies come up and said, you know, glad to see her here and I was kind of taken...cause I was trying to recognize who they are.

PETERSON: Yeah.

FREY: And uh...because I didn't go last week.

PETERSON: Uh-hum.

FREY: So they um...said hi. Denise didn't show up so I was, you know, pretty much by myself there today.

PETERSON: Oh, yeah.

FREY: Well, I mean not really. But I didn't know...I don't really know that many people there so...but I went and...

PETERSON: Good.

FREY: ...and had communion today. And you?

PETERSON: Um...interesting day to say the least.

FREY: Why, what happened today?

PETERSON: Well, I met with a bunch of people that had called in and said they had tips about where Laci was and could point us in the right direction. So I was out all day meeting with these people.

FREY: Uh-hum.

PETERSON: And did you see Rita Crosby tonight?

FREY: No, I didn't. What did Rita have to say?

PETERSON: Well, it's actually um...very good because um...she had a police detective on who came on and he said yeah, the police can manufacture evidence, mislead people, or turn them against Scott. That's what they've done here. So it was very refreshing.

FREY: Good. Um...Rita, I'm trying to think. She'll come back on again tonight won't she?

PETERSON: Yeah, at 10:00 or at 9:00 rather, 9:00 o'clock.

FREY: 9:00 o'clock. I'll have to catch it.

PETERSON: It was actually good because I was hoping that all the experts...

FREY: Oh, when was...

PETERSON: What's that?

FREY: Oh, she's...she's still on, huh?

PETERSON: Yeah, yeah. I just kinda hope that Brent and Amy and Laci's mom watched it because I know they've done that to them. And I don't know what they told you even. They probably...

FREY: Who is that?

PETERSON: The police. Maybe they've said some things to you, I don't know. But it was good to have 'em on and say yes, we can mislead, and they have.

FREY: Uh-hum.

PETERSON: And they even told some lies tonight. It's pretty incredible. But it was good to see that at least. And I uh...I had a chance to uh...tell Rita that she was low-class that day when she called.

FREY: That she what?

PETERSON: That she was low-class and I expected more of her. She called me on like Thursday.

FREY: Uh-hum.

PETERSON: And it was really...I had asked her, you know, regarding my Sunday show and I asked her, *"Do you have control of, you know, the photos you show on your show?"* And she's, *"Oh, yes, complete control."* I said, *"Really?"* And I said, *"Well, I saw Sunday's show."* *"Oh, no, no, I didn't have control on that show. No, we had a different producer. I...I didn't have control over those photos."* And I said, *"I thought you had complete control?"* *"Oh, no, I got..."*, and she stumbled for at least 20 minutes.

FREY: Uh-hum.

PETERSON: But it was really nice to tell her how pathetic she was and disgusting.

FREY: Well, thank you.

PETERSON: It was my pleasure.

FREY: Yeah, I think my dad got on as well and she said she didn't realize that they were showing them when they talked. And I was just thinking...I just, you know, personally I didn't see the point of showing them.

PETERSON: There was no point, I told her.

FREY: So I guess I'll check it later. I have...

PETERSON: Well, no, it's not important. I just wanted to call and see how your day was and make sure everything is okay and make sure you're all right.

FREY: Yeah. I'm...well, I did that and then I had lunch with the girls and...and then came home so...

PETERSON: Good deal. Okay, well, I'm gonna run. I wanted to say hi.

FREY: Okay.

PETERSON: Talk to you later.

FREY: Okay.

PETERSON: Bye.

FREY: Bye.
